D.Dis 2766 of 1108 that the Government see no reason to revise the orders already passed in the memo, dated 28th June 1932, Pw—3—14187/1107.

(b) Petition dated 27th Meenam 1107 was received.

(c) The petitioners were informed in P. W. D. Memo, dated 28th June 1932 that the aqueduct put up last year was intended only as a temporary measure. It will be put up year after year in time and will answer the purpose satisfactorily. As regards the extension of the canal, the work already done will be watched and if extensions are possible without adversely affecting the vested rights of the existing ayacut it will be done year after year.

(d) In 1106.

(e) The work costs Rs. 2,149—1—0. (This includes land acquisition, channels, dry pitching, sluice work, trough plate and R. C. posts to support the trough plates, etc.)

(f) and (g) The aqueduct serves well for purposes of irrigation as originally intended though supported on temporary arrangements during the time of irrigation, every year, some of the R. C. posts having been damaged during the abnormal floods of 1106.

Canal communication to Kunnamkulam.

108. Mr. K. T. Mathew.—Will the Government be pleased to mention :—

(a) what action has been taken by the Government with reference to the opening of a canal communication to Kunnamkulam since October 1931 ;

(b) whether the Government have been able to device any means of preventing introduction of brackish water to the detriment of paddy lands in opening a canal to Kunnamkulam and if so, what is it?

Mr. M. D. Narayana Ayyar.—(a) It was feared that brackish water may enter the paddy fields if the canal was dug and therefore the Chief Engineer was ordered to device some means to prevent that.

(b) The Chief Engineer suggested certain devices, but owing to lack of funds for the execution of the work, their consideration was put off.

Type-writing Machines and Typists.

109. Mr. K. T. Mathew.—Will the Government be pleased to inform :—

LIBRARY ARCHIVES Kerala Legislative Assembly

(a) how many type-writing machines are now being used;

(b) the names of those who are in charge of these machines;

(c) what examination each of them has passed in type-writing;

(d) how many of them have not passed type-writing examination; in which department they are being employed; what their names are and what is the reason for appointing unqualified hands as typists;

(e) whether the Government are experiencing any difficulty to get duly qualified hands as typists?

Rama Varmha Tampuran.—(a) to (d) A statement containing the available information is appended. (*Appendix VII*).

(e) No.

Supply of Unrepealed Regulations.

110. Mr. K. T. Mathew.—Will the Government be pleased to enquire and state whether a copy of the Unrepealed Regulations has been supplied by the Government of Travancore to the Members of the Travancore Legislative Council?

Mr. C. J. Mathew.—Copies of the Unrepealed Regulations have not been supplied by the Travancore Government to the Members of the Legislative Council there.

Vypeen—Pallippuram road.

111. Mr. P. Krishna Menon.—Will the Government be pleased to state:—

(1) The allotment for the construction of the above said road in 1107;

(2) how much of the amount has been spent in the year;

(3) has the metalling been completed; if not, what is the reason?

Mr. M. D. Narayana Ayyar.—(1) Rs. 22,170.

(2) Rs. 12,045—1—0.

(3) No. The acquisition of lands in certain place has not been completed.

Mr. P. Krishna Menon.—How far has the acquisition proceedings proceeded?

Mr. M. D. Narayana Ayyar.—The draft declaration has been published in the Gazette and I believe that the lands will be put into possession very soon.

Mr. M. A. Chakko.—No. 3. The answer is 'no'. The reason stated is that the acquisition of lands in certain places has not been completed'. Then does the completion of metalling mean also the rolling of the metal?
